A:Internet Download Manager 6.28 Build 9 Crack 100% Working Thanks for sharing these files. I purchased IDM about a week ago. But it stopped working with this error code: 99. Now I tried everything to fix the problem. I saved the serial key I got from the creator, tried adding it as the key again, and all sorts of other crap. It didn't work. The person I bought it from is saying that he can send me the decrypted version (not cracked) as a favor. I would really appreciate this if you know how to get this working again. Please help. A:Internet Download Manager 6.28 Build 9 Crack 100% Working I had the same problem. I purchased a new IDM key from the producer. And it worked, didn't crack. You have to contact the producer for a new key. It's probably a common problem so they might fix it at some point.
